

Centre for Digital Innovation in Education Funding Request -- Graduate Student Travel Fund

Guidelines:

The Centre for Digital Innovation in Education (CDIE) Graduate Student Research Travel Grant provides funding to support graduate students in the Frazer Faculty of Education programs who attend and present research at academic or professional conferences.

This grant supports knowledge mobilization, including presentations at professional conferences, of findings from projects conducted by Ontario Tech University graduate students. Graduate students must receive recommendations from their supervisor to receive such awards. Qualifying projects must have been conducted under the mentorship of an Ontario Tech University faculty member.

Application Deadline

Applications will be accepted any time prior to the application deadlines noted below.

- January 5, 2026, for conferences scheduled to take place between January 1, 2026 and December 31, 2026
