

Educational Studies

College-to-University Pathway

This fully online advanced-entry program is designed for students who have completed a two-year Ontario college diploma or equivalent. Our unique online format uses virtual classrooms to maximize interaction, collaboration and community building. You may pursue this program on a part-time or full-time basis.

Program Highlights

Flexible learning environment is designed to reach students anywhere in the world.

Practical curriculum leverages the potential of digital technology in lifelong learning.

Engaging videos, group tutorials, discussions and self-directed, problem-based learning.

Our Educational Studies program prepares graduates for careers in learning and performance industrial, commercial, and not-for-profit and community sectors. Additionally, graduates with the required qualifications will receive priority status for acceptance into our Bachelor of Education or Master of Education programs.
