

# BA in Educational Studies (Honours)

## Flexible Learning: 4-year Online or Hybrid Program

The hybrid nature of this program will allow an educational pathway directly from secondary graduation for students seeking a fully-online undergraduate degree in Educational Studies. The optional in-person elements will provide the onsite university experience for students who desire it, without the requirement to live on campus.

Our unique online format uses virtual classrooms to maximize interaction, collaboration and community building. You may pursue this program on a part-time or full-time basis.

### Program Highlights

**Online** program allows you to study from home and continue to work while you earn your degree.

**Flexible** learning environment is designed to reach students anywhere in the world.

**Practical** curriculum leverages the potential of digital technology in lifelong learning.

**Engaging** videos, group tutorials, discussions and self-directed, problem-based learning.

You may pursue the BA in Educational Studies on a part-time or full-time basis.

Graduates with the required qualifications will receive priority status for acceptance into our Master of Education programs.
